Back ChiltonPRO Tablet Home Sign Out

The image shows a tablet displaying the ChiltonPRO Tablet Home interface. At the top, the status bar shows 'iPad', signal strength, '4:20 AM', and '32%' battery. Below the status bar is a navigation bar with a 'Back' button on the left, the title 'ChiltonPRO Tablet Home' in the center, and a 'Sign Out' button on the right. The main content area has a green background and features a large white circle in the center containing the 'CHILTON^{PRO}' logo. Surrounding this central circle are six icons, each with a label: 'Repair' (wrench and hammer), 'TSB' (whiteboard on a stand), 'Estimation' (clipboard with paper), 'Maintenance' (checklist with a red checkmark), 'Search' (magnifying glass), and 'Customer' (person icon).

1.6 System Level > System-Wide Search

The screenshot displays a mobile application interface for a system-wide search. The main screen shows search results for 'Brake' with 21 results found. The results are categorized by section: Estimation, Maintenance, and Repair. Each result includes a title, a brief description, and a 'Click the row to go to actual page' icon. A sidebar on the right shows the search range 'All Sections' with 21 results, and other sections like 'Customer', 'Estimation', 'Maintenance', 'Repair', and 'TSB Information' with their respective result counts. The bottom of the screen shows the application name 'ChiltonPRO - System-Wide Search' and the vehicle information '2003 Toyota Camry LX'.
